core java

TOOLS:

vs code

FRAMEWORK

bootstrap
wordpress

PROJECTS

✔ **Construction Website**

- Successfully planned, designed, and launched a professional construction website to showcase my expertise.
- Implemented a contact form for inquiries and project requests, ensuring ease of communication with interested parties.
- Provided answers to frequently asked questions (FAQs) related to construction practices, services, and the construction process.
- Utilized web design tools, such as HTML, CSS, and JavaScript, to create a visually appealing and user-friendly interface for potential clients and stakeholders.

INTERESTS

coding

painting
